Step 4: Use  
Magnifying glass  
to search for  
items needed to  
order

The screenshot shows the Apex Energetics website. At the top, there is a blue navigation bar with the Apex Energetics logo, links for "Products" and "Why Apex Energetics?", a search bar with a magnifying glass icon, a "Quick Order" button, and icons for a shopping cart and user account. Below the navigation bar, the main content area features the Walter Cohen, DO Osteopathic Manual Medicine logo and a welcome message: "Welcome to our online store. We proudly partner with Apex Energetics™, a leading provider of research-based nutritional products." To the right of the text is a large image of a woman in a white dress, looking up and smiling. Below the main content area, there is a "Quick Order" section with a "Find product" dropdown menu and a search bar. Below the search bar is a table with columns for Product, SKU, Price, Quantity, Subtotal, and Auto Reorder. A "Clear All" button is located below the table. To the right of the table is a green box with a shipping icon and text: "Flat Rate Shipping for Ground and 3 Day Select where available."

Glutathione Recycler™

CELLULAR\*

HEPATOBIILIARY\*

Price

Quantity

K57

Year Price

\$35.98

1

Glutathione Recycler™ is a first-of-its-kind formula designed to support the synthesis and recycling of glutathione, which is a key factor in cellular and mitochondrial antioxidant processes.\* It strategically combines complementary ingredients, such as selenium, N-acetyl L-cysteine, and standardized extracts of cordyceps and gotu kola, that have cohesive actions geared toward optimizing intracellular glutathione.\* A small size of Glutathione Recycler™ (K81), which contains 30 capsules, is also available.

Vegetarian Capsule

Great Value

Tested for Gluten

Tested for Dairy

Features

- Delivers high quality, whole plant and seed extracts for a spectrum of activity\*
- Suitable for vegetarians
- Specially processed to avoid unnecessary ingredients
- Gluten and dairy free, as confirmed by finished-product testing

Benefits

- Supports the metabolism of intracellular glutathione\*
- Supports glutathione activity and related enzymatic processes\*
- Supports liver detoxication and conjugation pathways\*
- Helps support the ratio of reduced-to-oxidized glutathione\*
